

# Design the Honesdale Art Piano!

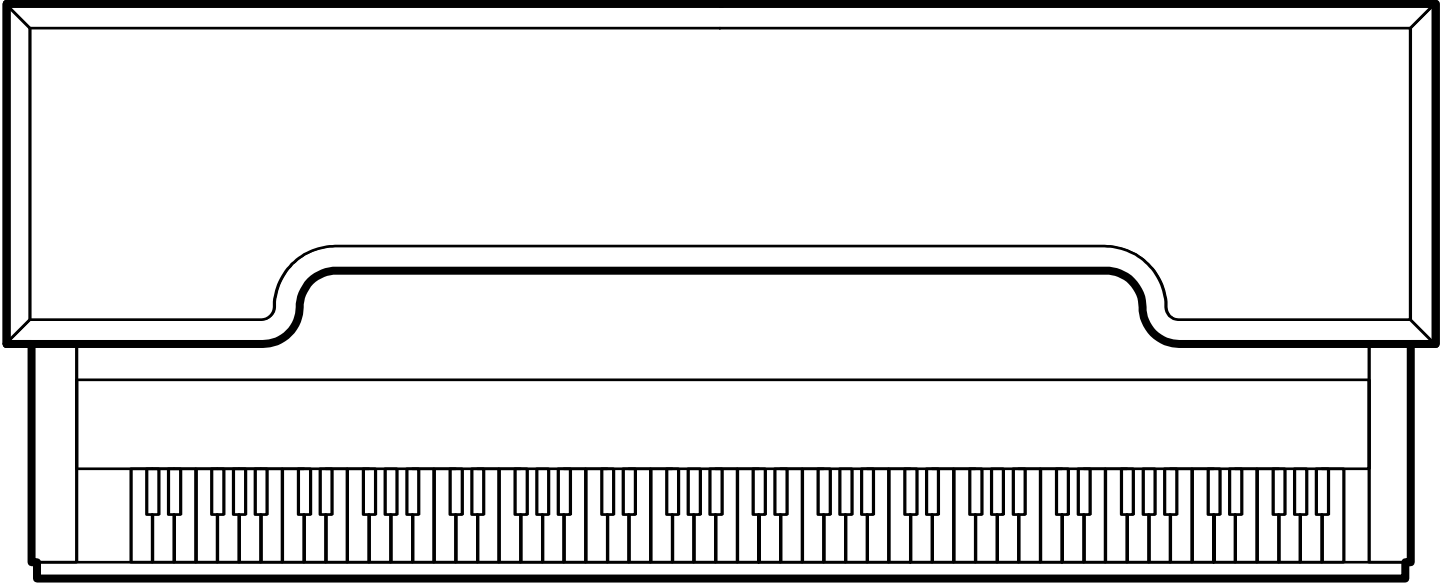

The Wayne County Arts Alliance is asking everyone (especially music students) to share their ideas for the Honesdale Art Piano: a street piano gifted to the arts alliance by Dave Figura. Once painted, the piano will stay on Main Street seasonally, where anyone passing by can play it.

Designs can be dropped off at 959 Main Street in Honesdale, or emailed to [waynecountyartsalliance@gmail.com](mailto:waynecountyartsalliance@gmail.com). Submitted ideas will be considered by the WCAA board and a final design will be painted on the piano by everyone in the community who wants to help. We're excited to see your ideas, so share them soon!
